

microtubule cytoskeleton

cytoskeletal part

cell cortex part

supramolecular complex

cytoplasmic region

cytoskeleton

cell cortex region

presynaptic active zone

cell cortex

apical part of cell

neuron part

presynapse

cell projection

plasma membrane region

distal axon

axon part

synapse part

apical plasma membrane

plasma membrane bounded cell projection

synapse

neuromuscular junction

axon terminus

neuron projection terminus

size

120

40

80

160

p.adjust

ion channel complex

- 1e-05 - 2e-05 - 3e-05

4e-05

cation channel complex

proteinaceous extracellular matrix

anchoring junction

adherens junction

cell junction

cell surface
