

intrinsic component of Golgi membrane intrinsic component of organelle membrane

integral component of organelle membrane

endoplasmic reticulum subcompartment

coated vesicle

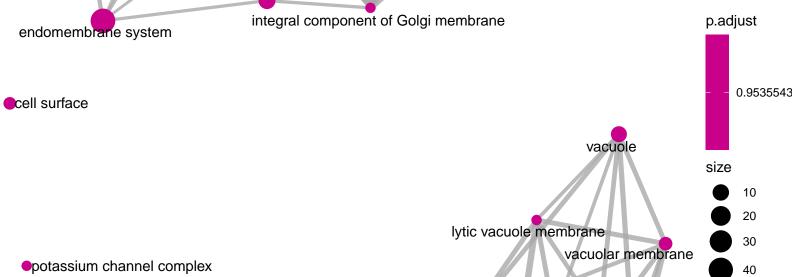

nuclear outer membrane-endoplasmic reticulum membrane network Golgi-associated vesicle endoplasmic reticulum

endoplasmic reticulum membrane

cilium COPII-coated ER to Golgi transport vesicle

lytic vacuole

endoplasmic reticulum part

integral component of plasma membrane

vacuolar part

secretory vesicle microtubule associated complex lysosomal membrane synaptic vesicle lysosome

transport vesicle membrane

exocytic vesicle transport vesicle
