

## cytoplasmic dynein complex

integral component of endoplasmic reticulum membrane

intrinsic component of endoplasmic reticulum membrane

respiratory chain complex III

cell cortex part

cell cortex

cytochrome complex apical cortex respiratory chain complex IV

mitochondrial respiratory chain clathrin-coated pit

muscle tendon junction clathrin vesicle coat

inner mitochondrial membrane protein complex

mitochondrial inner membrane organelle inner membrane

respiratory chain complex

clathrin-coated vesicle membrane

clathrin-coated vesicle

size

20
